8 Horse Kohler Engine Wiring

The 8hp Kohler is a very reliable motor as are just about any of the K-series motors. The most important thing is to try to get a feel for how well the machine was taken care of. Make sure the engine is cold when you go to check it out. Fire it up and look for any signs of smoke when you throttle it up and ride it around..

How reliable is the Kohler 8 HP. K series - Engines ...

Kohler 8HP No spark - Engines - RedSquare Wheel Horse Forum

Ok, now's where I need my hero's to help me. I have decided to stick with a briggs commercial turf series engine for an an engine swap from a kohler command. Problem is I don't know exactly what to wire where. The mower it is going on is an early model Husqvarna 6127 which has some conflicting wiring diagrams available online. The command had a built-in solenoid on the starter, so I know I ...
