

Here Is A Copy Of

When I was new to the job market and mailing out resumes (although I'm dating myself, I'll admit that this was well before the days of email), I sent my carefully crafted cover letters with a note that read: Enclosed please find my resume. One such mailing resulted in an interview. There I was ...

Please Find Attached: How to Notify Your Audience | Grammarly

Rather than pleading the email recipient to go find the resume in my email, I would rather reframe the words as: I am pleased to attach herewith my resume, for your kind consideration. With this, I am trying to convey that it is my pleasure to sha...

Is 'Please find attached my resume' grammatically correct ...

Copy here/move here When using PowerPoint 2010, I'll often highlight something so I can copy it someplace else. But when I right-click, I frequently get a window with the choices of "Move here, copy here or cancel."
