Rated 5 out of 5 by NOTinMEtoRETIRE from The BEST unit in the Clearing Saw line! I have owned FS 250/450/550 Clearing Saws. Currently, the FS 460 C-EM is the best choice from the line. It will handle nearly anything the heavier 550/560 will, without the additional weight which can be a factor when working on steep terrain.

You can sharpen the cutting teeth of your chipper-tooth chain with a round file on your own. But a word of caution: not every saw chain is the same. The tool you use needs to match the respective saw chain, because if the wrong file is used, it can diminish the cutting performance of the chain. We explain below how to find the right round file.
