The Porsche 928 is a luxury grand tourer produced by Porsche AG of Germany from 1978 to 1995. Originally intended to replace the company's iconic 911, the 928 combined the power, poise, and handling of a sports car with the refinement, comfort, and equipment of a luxury saloon. Porsche executives believed such a flagship would have wider appeal than the compact, quirky and sometimes difficult ...

This 2005 Porsche Boxster was purchased by the current owner nine years ago after the 2.7L flat-six suffered an engine failure at 44k miles. Since then, the owner has set about transforming it into an ideal road/track car by increasing power and overall performance through a series of modifications, the majority of which were installed approximately 36k miles ago.
